

## PENNSYLVANIA DeMOLAY

### **DeMolay Capes** (Revised 10-15-2017)

DeMolay capes are a part of the official regalia of the Chapter and are subject to the rules of DeMolay International. Chapters may **NOT** wear officers' capes in public, except at a public Installation of Officers, without written dispensation issued by the Executive Officer. Under no circumstances are Chapters to wear officers' capes in any parade, unless specifically directed to do so by the Executive Officer.

If capes are used, all officers must wear the uniform black cape with red lining. Some Chapters may possess older robes in various colors, but they cannot be used unless an exception is granted by the Executive Officer.
