

PENNSYLVANIA DeMOLAY

Bylaws (Revised 9-28-11)

Chapters must annually review their Chapter Bylaws to ensure that all provisions are being observed, and that no provision is in conflict with the Rules and Regulations of DeMolay International. Bylaw changes must be approved by 2/3 vote of the Chapter. All amendments to Chapter Bylaws are subject to review by the Executive Officer, and do not become effective until he has provided written approval and authorization to enforce. Advisory Council Bylaws, Chevalier Court Bylaws and Legion of Honor Preceptory Bylaws, if they exist, must also be subjected to this review process.

When changes in DeMolay International policy conflict with existing provisions of any bylaws, the bylaws of the local entity shall be considered as automatically changed to conform to the Rules and Regulations of DeMolay International. Likewise, any local bylaw, extant or proposed, which conflicts with the Rules and Regulations of DeMolay International, is hereby declared null and void.
