

## PENNSYLVANIA DEMOLAY

### **Installation Scheduling** *(October 1, 2010)*

To ensure proper planning, maximize the probability of State Officer presence and participation, and to improve the likelihood of other Chapters attending the next Chapter Officer Installation, Chapters are requested to submit the confirmed date of the NEXT Chapter Installation with the new term's Form 11 on-line report of new officers.

The date can then be coordinated with other events and posted on the PA DeMolay on-line calendar. Once confirmed, the State Officers will have it as a priority program on their schedule. This will also allow the Chapter to plan far enough in advance to involve local Masonic family organizations, and to get parents involved in supporting the event.
